

Innovative Solutions For The Greener Good

Terra Novo™

Fusion™

Why Waste Money Hauling Truckloads of Dirt?

Save time. Save money. Increase sustainability. EarthGuard® Fusion™ is a complete topsoil replacement and soil building erosion control product. Fusion combines the proven erosion control protection of EarthGuard Fiber Matrix, the topsoil replacement and soil building attributes of EarthGuard Organix™ and the soil amendments of EarthGuard Elixir™.

The Most Cost Efficient One-Step Fix for Poor Soil Conditions

- Adds natural growth mediums and microbial growth stimulators to depleted soils
- Provides advanced erosion control protection
- Promotes quick and sustainable plant establishment
- New product class known as hydraulic growth medium & mulch (HGM²)
- Ideal for any re-vegetation application
